

Learning Provider Application Checklist

To assist in the processing of your registration as an ILA Scotland learning provider, the Learning Provider Registration Agreement (LPRA) and the Learning Provider Payment Agreement (LPPA) must be fully completed and signed and all supporting documentation enclosed with your application.

The checklist below will help you identify if you have provided all the required information and help avoid any delays in the processing of your registration. Please do not send your application until you are satisfied that all of the information below is complete, as missing information may delay the processing of your application.

If you have any questions, please call the learning providers' helpline on 0141 285 6104.
