learning bytes for ULRs

[learning bytes](#) is a range of online learning courses available to learners through the learndirect scotland branded learning centre network. Within this catalogue there is the [Learning Centre Academy](#) which consists of courses that have been specifically developed for people who work with and support learners. There are a wide range of courses available which can help you build on the skills and experience you have already gained.

As a Union Learning Rep you can experience these for yourself by registering today for access to two modules. Simply complete your contact details and indicate the courses you would like to register for and we will then contact you with your username, password and user guide.

To register for your two online courses [click here](#) or contact your Partnership Support helpline on **0141 285 6020**.
