Your Statement Explained

The statement overleaf shows details of your account including information on any bookings you have made. You will receive a statement every time you make a booking or when there are any changes to your account.

The figure at the top of the **Balance** column shows how much is available to you in your current learner year.

The **Contribution to course** column shows how much money has been paid by ILA Scotland towards the cost of your course.

The **Adjustment** column shows any changes to your account, such as a credit for any cancelled course.

The **ILA Scotland funds available** figure at the bottom of your statement shows how much money you have left to spend on further courses during the rest of your learner year.
